MR THOMAS DAVENPORT
THE FOUNDATION OF THE
DIOCESE OF WYOMING.

THANKS:

I would like to give a lot of thanks to God for what he did during my holiday on December. During my holiday I was very busy because I worked in my farm and preaching in various churches. Malaria is a big problem here so my wife and some of my children suffered with it. Concern the rains not bad and this time we thank God because it has come and we feel good.

Concern my studies it was fine and we have opened the college so pray for us. Thank you very much for your help and real may bless you with your activities.

Your friend

Rev. E. Chipuzo.

May God bless you.
