Dear, Mr Thomas Davenport

Greetings in the name of our Lord Jesus Christ. I have pleasure to write to you hoping that you are all doing fine and ~~the~~ ~~Min~~ your Ministry of saving the herd in your Diocese.

It is now the beginning of our second semester of my first year while I have been enjoying studies and finding funny things to know more God.

We began our second semester on 13<sup>rd</sup> February 2010 after having Holydays for Christmas and new year celebration which was very exciting and interesting. I had real very nice time to stay with my wife Honolita and our daughter ANN who is now Nineteen Months and was baptised on 18<sup>th</sup> October 2009 last year. My family was very happy to have me at home caring our garden, Maize plants and our cat "Paka" Kiswahili name for a cat which always play with Ann. I find myself good time learning many new things with ~~my~~ family and I hope you also had good time, haven't you?

We value your support for my studies and ~~the~~ prayers which enabled me to study well and

ask you to pray for my family to have good health and happy while I am studying doing my studies

We are real thank you, Value ~~and~~ your prayer for us

May God bless you
