to MY SPONSOR,

Receive many greetings in the name of our Lord Jesus Christ. Me and my wife and kids we are very happy to see this ~~new~~ year. It is my hope that even you and all the diocese of Wayome a very blessed by the Lord in this new year.

I'm writing this letter to you with full thanksgiving in my heart for your help of let sponsoring me in my studies. It is your help that has made me to reach this stage of Diploma three here at Msakato Theological College. It is true that without your support it would be much difficult to pay fees for myself.

According to what you have done to me it gives me a debt of working for God anywhere because the love of Him is for all people. Thank you very much and may God bless you and increase your income more abundantly. I attach my photo with this letter.

Thank you
