I'm so glad to have this opportunity to write this special letter to you. I greet you in the name of our Lord Jesus Christ Praise the Lord! Hope that you are fine and you are going well in your activities with your family. Back to me together with my wife Neema and our daughter Glory are fine too. We real thank God for the love and kindness which He has given us that we are fine.

The main point to write this letter to you is to give thanks for the support which you have given me to my studies here at Msalato Theological College. It is true that without your support it was difficult for me to finish my Diploma course here at Msalato.

We had a wonderful holiday last two months and though that holiday I received different invitations to different churches and serve God in villages. We started the ~~last~~ <sup>new</sup> semester during 15<sup>th</sup> Feb, 2010 and now we are on the way to finish our course. After my graduation I plan

in order to be a teacher at this college and help  
the minister of God in teaching them about Theology.

I would like to take this chance to request you  
to continue to pray for me and my family  
that God could enable us to succeed in our basic  
needs especially food, clothes and healthy treatment.  
We real remember you with our prayer every day  
before we sleep.

May the Lord bless you that you will continue  
to support us in our studies. Hope that you will  
answer my letter and God will continue to open  
the door in order to reach the place where I  
plan to be. Be blessed your friend in  
Christ field.
