Expansion of Thrift Shop	2008	Angie Bennett 307.875.5955

In 2007 increased energy development activity in southwest Wyoming placed great strains on the social services in Green River and surrounding communities. St. John's Episcopal Church found itself in need of expansion of its Thrift Shop located at 68 East 2nd South Street. The Thrift Shop enjoys broad ecumenical support from a large group of volunteers and is open three days per week.

An attractive, organized display of the clothing remains essential to a good shopping experience

By expanding our storage area we can now better sort clothing and store off season clothes for upcoming sales events. Our increased sales enable us to contribute generously within the community to many worthwhile charitable groups!
