

Name of Applicant
St. Andrew's, Atlantic City

Type of Grant Awarded
Sargent Foundation

Grant Amount
\$7,500

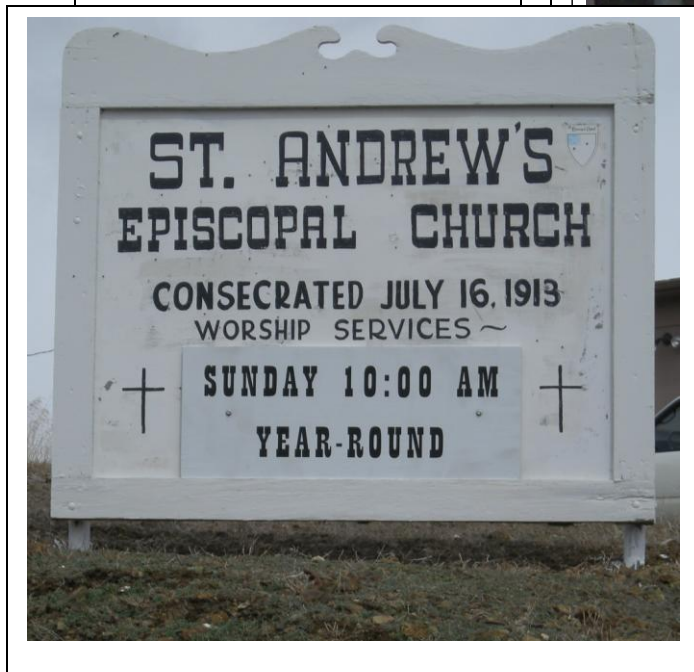

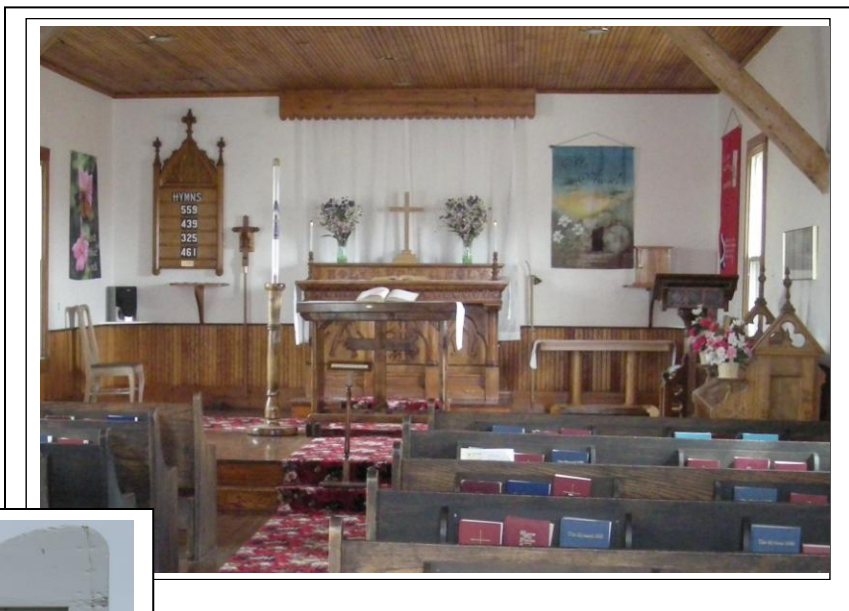

Purpose of Grant
Repair Bell Tower, Windows

When Awarded
2009

Contact Person
Donna Bates

The congregation at St. Andrew's Episcopal Church repaired the bell tower and improved windows by adding storm panes.

From the height of South Pass and from the historical mining district of Atlantic City, the small church of St. Andrews serves the seasonal and permanent residents of both Atlantic City and South Pass as a church and as a community meeting center. The bell tolls to gather the communities, now secure in the repaired bell tower.
